

Amendments to the Claims

The following listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

Claims 1-27 (Canceled).

Claim 28 (Previously Presented): A method of treating a Helminth infection in a patient, comprising administering an IL-174 agonist to the patient, wherein the IL-174 agonist is a human IL-174 protein which consists of SEQ ID NO:2.

Claims 29-32 (Canceled).

Claim 33 (New): A method of treating a Helminth infection in a patient, comprising administering an IL-174 agonist to the patient, wherein the IL-174 agonist is a human IL-174 protein which comprises the amino acid sequence from Try at position 1 of SEQ ID NO:2 through Gly at position 145 of SEQ ID NO:2.

Claim 34 (New): A method of treating a Helminth infection in a patient, comprising administering an IL-174 agonist to the patient, wherein the IL-174 agonist is a human IL-174 protein which consists of the amino acid sequence from Try at position 1 of SEQ ID NO:2 through Gly at position 145 of SEQ ID NO:2.
